SCCUDD at the First Annual Health & Wellness Fair

SCCUDD took part in the First Annual Health & Wellness Fair on June 11, 2016. The Fair, which was organized by Cayuga Health Systems and the Watkins Glen Area Chamber of Commerce, took place from 9am to 1pm in the Watkins Glen Fieldhouse.

At SCCUDD's table, fair attendees could learn about youth substance use in Schuyler County and ways to help prevent it.

Attendees were also able to try on alcohol impairment awareness goggles to see how drinking alcohol can impact their ability to do simple tasks such as walking in a straight line or catching a ball. The game Wheel of Misfortune was also available for attendees to play and test their knowledge of different types of drugs.

Shining Star Recognition Awarded to Veronica Mintegui

In June, SCCUDD presented a Shining Star Recognition Award to Veronica Mintegui. She received this award due to her commitment to the community.

Her participation in the second week of the CADCA Academy training showed her interest in improving the health of children and teens in Schuyler County. SCCUDD also greatly appreciates Veronica designing SCCUDD's new brochure. For these reasons, SCCUDD has chosen Veronica as a *Shining Star Recognition* recipient.

On behalf of the Schuyler County Coalition on Underage Drinking and Drugs (SCCUDD) Executive Board, staff, and volunteers, we thank Veronica for her efforts in making the community a healthier and safer place.
