

# Schuyler County Board of Elections

## Plan for Compliance with Executive Order 202.61

The following is the Schuyler County plan for all registered voters within our jurisdiction who have applied for an Absentee Ballot by letter, email, facsimile, phone, internet or electronically to drop off a completed Ballot without delays or standing in line.

1. Completed Absentee Ballots may be dropped off at the Schuyler County Board of Elections, 105 9<sup>th</sup> street office, Room B104 any time during normal business hours and on Election Day until 9:00 PM.
2. An Absentee Ballot may also be returned during Early Voting to be held starting on October 24, 2020 through November 1, 2020. Specific hours are listed on our web site at <https://www.schuylercounty.us/128/Board-of-Elections>. A secure ballot receptacle will be provided at the entrance to our voting site in the Schuyler County legislative chamber located in the Schuyler County Court House building 105 9<sup>th</sup> Street, Watkins Glen, NY. An additional person will be employed to greet voters approaching the voting area to provide safety instructions due to Covid-19 and to direct drop off voters to the Ballot Box.
3. Absentee Ballots may be dropped off at any of the 13 voting sites on Election Day November 3, 2020 until the close of the polls at 9PM. A list of the locations can be found on our web site as indicated above. Voters will be directed to the drop off receptacle by the additional person stationed at the entrance.

The above measures should make it unnecessary for voters returning an Absentee Ballot to wait in line with in-person voters.
