RESIDENCY REQUIREMENT: None

JOB DESCRIPTION: This is entry-level professional planning work involving responsibility for the performance of a variety of municipal, regional or community planning assignments. Planners may also serve as staff for advisory boards as assigned. The work delegated to employees in this class consists of professional assignments in keeping with the job level as well as the limited experience required of the incumbents. Within this job concept, however, assignments may increase in complexity and responsibility as employees increase in professional competence. The position will require attendance at night meetings. The work is performed under the general supervision of the Planning Director. Does related work as required.

TYPICAL WORK ACTIVITIES:

Participates in studies involving research, investigation and analysis of physical, economic and environmental factors related to municipal, regional or community planning;
Prepares materials for meetings, planning and preparation of educational activities, and provides public relations;
May serve as staff for advisory boards, provides administrative support, and performs a variety of research projects;
Leads planning studies, projects and programs as assigned;

Schuyler County...An Equal Opportunity/Affirmative Action Employer
